Activity 3
Occupational word find

Directions: Working in small groups, each student gets a graph of various occupations. One group member reads the occupational clue to the group while the students listen and put an X over the occupation being described. For example: If the clue is "I cut and style men's hair." The students would put an X on the word barber. The game is over when all the clues have been read.

accountant	police officer	baker	firefighter	architect
waiter	tailor	artist	actress	bookkeeper
